FREIGHT FORWARDER **SERVICE**

■ INTERNATIONAL SEA SERVICES

We provide international sea freight services for all load sizes, including FCL and LCL. Our services cover door-to-door delivery, cargo pick-up, and storage options. We specialize in handling specialized cargo through sea-air solutions, ocean charters, and expertise in reefer cargo and break bulk shipments.

■ IMPORT CONSOLIDATION

The Importer/Organizer handles paperwork for smooth customs clearance, including detailed invoices/ packing lists for accurate tax computation. Goods undergo financial scanning upon arrival and re-export, fulfilling obligations before guarantee revocation and tax determination.

■ CUSTOMS HOUSE AGENT

We specialize in customs clearance, providing accurate import and export documentation compliant with regulations. Our consultancy services include advising on commodities, tax rates, and import/export restrictions. We manage payments for taxes, duties, and other shipping expenses, ensuring seamless transactions.

■ THIRD-PARTY LOGISTICS SERVICE

We specialize in customs clearance, providing accurate import and export documentation compliant with regulations. Our consultancy services include advising on commodities, tax rates, and import/export restrictions. We manage payments for taxes, duties, and other shipping expenses, ensuring seamless transactions.

■ TRANSPORTATION SERVICE

BMIPL offers on demand transportation solutions nationwide, emphasizing timely delivery, competitive pricing, safety, and quality service. With our fleet and network of transporters, we ensure economic efficiency and topnotch service. App streamlines truck and trailer bookings with fuel-efficient trips, GPS tracking, and seamless mobile booking.

■ WAREHOUSE SERVICE

Our warehouse services encompass pool distribution, packing, inventory management, and more. We provide comprehensive solutions, from storage to value-added services, tailored to evolving customer needs. eCommerce businesses can outsource warehousing and shipping through our fulfillment centers for efficient service delivery.
